# Missing Letters

Why do birds fly south? Because it is too far to walk.

There are letters missing in each word below. Print the complete word on the blank line beside each word with missing letters.

- |                                  |                                  |
