# Study Sheet

---

How do you know when there's an elephant hiding under your bed? Your nose touches the ceiling!

Listed below are the words for this week's test. Use this study sheet to prepare.

1. kitchen            The room where you make food.
2. refrigerator      This keeps food cold.
3. microwave        Heats up food quickly.
4. oven                You can bake cookies in this.
5. bathroom         The room with the toilet and shower.
6. shower            You do this every day to keep clean.
7. sink                Wash your hands here.
8. towels             Dry off with one of these.
9. living room        Sit together as a family in this room.
10. curtains         These keep the sun out.
11. sofa              At least two people can sit here.
12. television        Watch this for entertainment.
13. armchair         One can sit comfortably here.
14. dining room      The room where you eat.
15. light             This helps you see when it's dark.
16. chair             You sit on one of these at the table.
17. table             You put your plates and cups on this.
18. bedroom         The room where you sleep.
19. bed                Sleep on this.
20. wardrobe        Keep your clothes here.
21. bookshelves     Organize your books on these.
22. telephone        Call your friends using this.
23. mirror            Use this to look at yourself.
24. garage            Cars are safe in here.
25. remote control   Change the TV channel using this.
